SPRING 2018

NUMBER 3

Letter from the Editor

Dear Reader,

I am delighted to present the Duke Journal of Comparative & International Law's Symposium Edition. In each of our publications, we endeavor to substantiate and confirm each source cited. However, this edition has posed some unique challenges in confirming each source due to the nature of the historical documents cited within. While we have checked and confirmed the vast majority of sources, a handful elude our ability to substantiate. With this in mind, we ask the reader to please contact the respective authors if you have any questions or concerns about a particular source. Thank you for your readership!

Best,

Theodore F. DiSalvo
