---

LAW AND CONTEMPORARY PROBLEMS is a quarterly publication. Normal publication dates are in January, April, July, and September. Because each issue is a symposium, it is not possible to delay publication of an article without postponing publication of the issue. Therefore, if a very promising contribution is not yet complete at the anticipated time of publication, some delay may result. Readers are asked to forbear the occasional irregularity which results.

---

Views expressed in articles published in this periodical are to be attributed to their authors and not the periodical, its editors, or Duke University.
