LAW AND CONTEMPORARY PROBLEMS is a quarterly publication. Normal publication dates are January, April, July, and September. Because each issue is a symposium, it is not possible to delay publication of an article without postponing publication of the issue. Therefore, if a very promising contribution is not yet complete at the anticipated time of publication, some delay may result. Readers are asked to forbear the occasional irregularity which results.

Views expressed in articles published in this periodical are to be attributed to their authors and not the periodical, its editors, or Duke University.
